Specialist Services Awarded by Dubai Municipality for Health and Safety Achievements

The Public Health and Safety Department of Dubai Municipality has awarded Specialist Services as a role model organisation for management of occupational health and safety

Dubai, 15th January 2014 – The Public Health and Safety Department of Dubai Municipality has awarded Specialist Services as a role model organisation in the manufacturing sector for the management of occupational health and safety during the year 2012-2013.

The awards ceremony was organised by Dubai Municipality in Zabeel Hall Club in Dubai on Wednesday, 15th January 2014, to award distinguished companies in various business sectors in Dubai. During the ceremony, Specialist Services was presented this health and safety award in form of an Appreciation Certificate by the Head of Public Health and Safety Department of Dubai Municipality.

With one of the Specialist Services core values being to pursue quality and safety in all aspects of their work, this award represents a further confirmation of the exceptional working environment in the company already compliant with ISO 9001:2008, ISO 14001:2004 and OHSAS 18001:2007. Specialist Services has implemented many good initiatives for managing quality, health, safety and environment, which are being appreciated by renowned certification bodies and clients, who are major players in the oil and gas industry.
