

PRESS RELEASE

Specialist Services Group

FOR IMMEDIATE RELEASE

Dubai, 13th May 2014

First company in the Middle East to receive the Type Approval Certificate for portable accommodation module from ABS

Specialist Services has become the first company in the Middle East to receive the Type Approval Certificate for 20ft A60 4 Men Portable Accommodation Module from ABS

Dubai, 13th May 2014 –Specialist Services received the Type Approval (TA) Certificate for 20ft A60 4 Men Portable Accommodation Module from ABS Technical Office of Dubai Engineering in March 2014 becoming the first company in the Middle East to receive the TA. The certificate was awarded after several reviews of the product design and manufacturing by ABS Dubai and Houston offices.

In the photo (from left to right): In-Hyun Ryu, Sr. Engineering Specialist at ABS UAE, Darko Begovic, Country Manager at ABS UAE, Amar Jha, Operations Director at Specialist Services, Sajid Wasi, Manager Modular Buildings Business Unit at Specialist Services, Gautam Kumar Lahiry, Assistant Country Manager at ABS UAE.

The Type Approval is important for Specialist Services as it allows the design, engineering and Manufacturing of their Portable Accommodation Modules reducing the turnaround time for approval by ABS. When the product is completed, ABS technical staff verify that the product, as already assessed, is suitable for use. This can be done with a simple review of the TA and does not require submittal of further documentation from Specialist Services. The Type Approval is intended for the Accommodation Module to be installed on ABS classed vessel, MODU or facility which is in existence or under contract for construction.

This certificate represents a further recognition by ABS of Specialist Services' internal process and methods to consistently design, engineer and manufacture products which meet the relevant industry standard and quality parameters.
